

Health Professions Week Treasure Hunt 3

Ahoy! Join HPW for an online treasure hunt! Hunt down the treasure in the map and find the gold coin on seven different websites. Each gold coin will have a treasure word on it. Fill in the missing spaces with the treasure words to reveal a hidden message. Click the flags on the map for your first clue, Matey! When you've cracked the hidden message, log in to <http://hpw.explorehealthcareers.org> and enter it into Sunday's Digital Treasure Hunt form for a chance to win a \$100 Amazon gift card. Want to increase your odds of winning loot? Complete the other two maps for two more chances to win! For a shot at a larger haul, complete all three maps for a chance to win one of two \$500 Sallie Mae scholarships!
